## NOVEMBER MEETING A SUCCESS

The November meeting was the first of the “off-season” meetings to be held in various member’s homes. This particular meeting was held at the Ryan’s digs on a beautiful Fall day that was more like summer than football season! Perhaps it should have been held outdoors?!

The meeting began promptly at 12:00 noon (well, perhaps “somewhere around noon” would be more descriptive) and was well attended by 19 members and guests—and 7 Fieros.

The first order of business was to eat (of course). The cuisine for this meeting was a 6’ sub sandwich with all the condiments, chips, vegetables and dip. There were assorted munchies available also, including nuts, etc.. For dessert there were sectioned apples with caramel dip.

Nobody should have left hungry, the Ryan household ate leftover sub sandwich for days!

The activity for the day was a replay of the speech that our marquee’s designer (Hulki Aldakaki) and his boss (Parki - as he came to be known) gave at the banquet for the 20th Anniversary Celebration. While this was entertaining, it also gave us some insights about our cars—the parking brake location for example! It also confirmed or rejected a couple rumors about the car - Hulki getting caught by GM officials beating up on a prototype Corvette in a prototype V8 Fiero at the test track—**confirmed**. The ’88 rear suspension being designed or influenced by Lotus—**rejected** .

An interesting video, however sometimes very difficult to hear and understand . If any members would like to review this video, it is available for loan.

## MEET YOUR NEW (AND OLD) OFFICERS

Officers Elections were held at the November meeting, and (unlike Florida elections) the results were tallied and announced immediately. All officers were elected by unanimous decision. And the results are:

Robert Probst (re-elected)

### VICE PRESIDENT

Tammy Kosley (re-elected)

Also elected to the position of **TREASURER** was **Don Middleton**, and **Christine Hammack** was appointed as **EVENT COORDINATOR** by the President. Articles in this issue discuss both these new positions and duties.

## EVENTS AND ACTIVITIES

**CHRISTINE HAMMACK** was appointed as Event Coordinator. She will be the point of contact for any club activity, and will report directly to the club President and Vice President. She will be responsible to find activities, shows, and events that "fit" our membership's interests. If you have any thoughts or ideas, please contact Christine directly.

There are a couple items already on the calendar -- the Gunnison Car Show and the Fiero's 25th Anniversary celebration in Michigan.

One thing that is being sought is a weekly get-together in the Denver area similar to the Grocery Warehouse gathering on Saturday night in Colorado Springs. Please contact Christine if there are any ideas. (We could always start our own tradition ...)

Christine can be reached via e-mail at: [redchristine@msn.com](mailto:redchristine@msn.com)

*This is your club newsletter. If there are any suggestions or ideas for future items, please forward them to the editor at: [george.ryan@sbcglobal.net](mailto:george.ryan@sbcglobal.net)*

## CLUB TREASURY

The Mile High Fiero Club historically has not asked for dues or fees from its members. That doesn't mean there are not costs associated with club management. The website isn't free (including the extra cost of keeping it banner-free), nor are office supplies, long distant phone calls, printing costs, etc. Until now, those necessities were being funded by Officers and individual members on behalf of the club.

At the November meeting it was decided that, while it isn't right to require our leaders to "foot the bill", we also were reluctant to initiate annual dues.

We will continue to hear from members about this topic until the next meeting in January, and make a final decision at that meeting.

In the interim, the Treasurer will establish a special account and simply accept donations from the general membership (a "Love Fund", so to speak). It is our hope that the funds raised in this manner will improve our web presence and help to continue with the growth of our club.

Please forward any donations to:

Or PayPal the funds to:

**UPDATE** This article edited 07/15/08 due to resignation of Don Middleton as Treasurer. George Ryan was appointed as interim Secretary/Treasurer until the next officer election in December.
